RECOMMENDATIONS AND INSTRUCTIONS

for the treatment with the Exfoliation System

ONE WEEK PRIOR the treatment

- No depilation creams or wax
- No facial masks containing enzymes
- No peeling processes of any type
- No hair dyes

ON THE DAY of treatment

- Do not shave
- Do not apply aftershave
- Do not apply make-up

DURING the treatment

- Do not perform any additional peeling methods
- Do not use Vapozone
- Do not depilate
(e.g. eyebrow correction or upper lip depilation)

THE DAY AFTER

- Avoid sweat-inducing activities
(e.g. sport and visits to a sauna)
- Do not shave
- Do not apply aftershave

UNTIL 4 WEEKS AFTER treatment

- Apply sun protection
(Face Guard Advanced)
- Avoid intensive sunbathing
- Do not perform any additional peeling methods
- Use only mild skin care products
(e.g. do not use any products containing alcohol)
